Level: Kindergarten

Category: Literacy

Title of Lesson: Heart Maps

Goals/Objectives:

For children to reflect on things, people, and memories that are special to them.

Materials Needed:

Heart template, markers, crayons or pencils

Draw pictures or write words on a heart. These are people, things, or places that are special to you.

Click here for a template:

<http://blogs.sd41.bc.ca/literacy/2020/04/01/heart-maps-2/>

Task Instructions:

Draw pictures or write words on your heart paper. These are people, things, or places that are special to you.

Extensions:

If your child is beginning to experiment with writing, encourage them to try writing some of the words next to their pictures. They might choose to take one of these ideas and write a story.

Families might choose to watch these youtube videos that compliment this lesson:
