

Art/Core Competencies Gr3 – Lesson Symmetry Name

Subject: Art; Numeracy; Core Competencies-Personal and Self Awareness

Learning Goals:

- Symmetry is everywhere including nature, math, art. It creates visual balance for the eye.
- Term “mirror image” is a form of symmetry

Materials:

- 1 sheet of 8 x 11 paper
- Black marker
- Felt pens or pencil crayons

Activity:

Your name is important – it represents who you are.

Watch the youtube video on how to create symmetry using your name.

<https://www.youtube.com/watch?v=RCfCTowvjUY>

Fold your paper hot dog style.

On the top section of the fold, print out your name (first or last).

Trace over with a black felt pen.

Since you are making a bug or a monster, decide on where your eyes are going and draw them in.

Add in any line designs you need to give your animal detail.

Colour your design.

Sign your artwork and display it proudly.
