Title of Lesson: Lets Make a Sound Map

LET'S MAKE A SOUND MAP!

Go outside with a pencil, crayons or markers and a piece of paper. Find a nice, safe spot to sit, close your eyes and LISTEN. Take a deep breath and listen some more. You will begin to notice sounds all around you. Some sounds will be near and some far away. Draw an X in the middle of your paper and then begin to draw the sounds you hear around your X. You can use pictures, words, designs to describe the sounds you are hearing.
