

GRADE 2-3-4 SCIENCE Activity

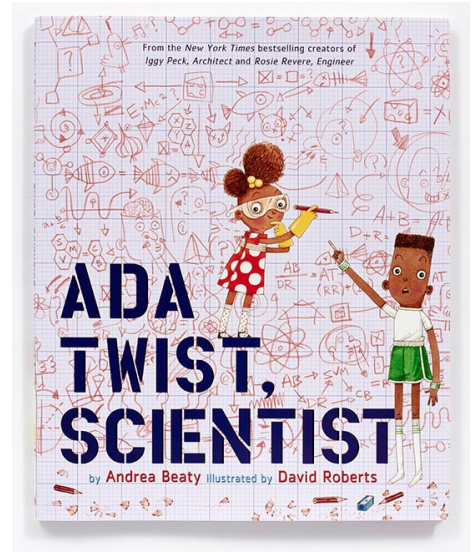

Ada Twist, Scientist

Read or Listen:

Get the book, *Ada Twist, Scientist* by Andrea Beatty OR listen to it read by Astronaut Serena Aunon Chanceller from the International Space Station (this is good because she explains lots of the vocabulary):

<https://storytimefromspace.com/ada-twist-scientist/>

You can explore some background information about Serena [here](#).

Write:

Have students write or draw about the following questions:

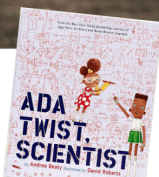

What is it about Ada that makes her a scientist?

Was she doing these things as a very young child?

What questions would **you** like to explore?

with

Experiment:

Try a playground inquiry as outlined here:

<http://stemactivitiesforkids.com/2016/09/07/playground-science/>
