

Numeracy K Weekly Activities

FLUENCY ACTIVITY

Materials Needed:

- Set of number cards (print and cut from below)

Task Instructions:

Shuffle the numbers. Have the child re-arrange them in order from 0-10. Have them read out the numbers after they are arranged in order. If 0-10 is too difficult, try 0-5 to start. If 1-10 is too easy, make additional cards to 20.

1	2	3	4
5	6	7	8
9	10	11	12
