

## Issues Part 2

To finish this activity, summarize your interview observations by **answering the following questions as either separate questions or paragraph form.**

1. Describe the people you interviewed. (age, your relationship to them - friend, uncle)
2. Did all three people agree on all the issues?
3. Choose one issue on which at least two people agreed and explain why you think this is so.
4. Did you find more significant or not significant issues in your survey?
5. Describe at least one of the most significant issues you found.
6. Describe something interesting in the differences of opinion you found.
