

# A BOOK REVIEW...

*Everyone can be a reader and writer*

*Readers use strategies to make sense of what they read, hear, and view.*

*We grow as readers when we read books that interest us and talk about what we read.*

## GATHER MATERIALS

- Your Reader's Notebook
- A writing tool

## READ, THINK, RESPOND

- Review how to PICK a just right book [here](#)
- Find a quiet spot and choose a book to read from the online Resource link or from the public library. Remember to use the I PICK strategy from last week.
- Continue to build your daily reading time to at least 20 minutes.
- In your Reader's Notebook write a review of your book. Would you recommend it to a friend? If so, write to your friend and tell them why you think they would like it. If you didn't like it, write to a friend and explain why.
