

Grade 7 English Language Arts

Week of October 5 – October 9

Lesson 2: Deeper Thinking

Sharing Stories

Most of the selections you have just read or viewed look at different ways that people have shown bravery or described it.

Complete the last activity, **Responding to Text**, to think about how these shared stories have affected the main character or others.

Responding to Text

1. In point form list 3-5 ways that the author or main characters demonstrated bravery.

2. Describe your definition of bravery.
