Activity 1: 10 Little Pumpkins

Materials Needed:

- Ability to play video; orange paper or paint to make cut out pumpkins

Task Instructions:

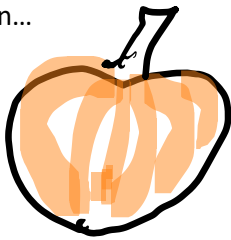

Have your child listen to or read the book 10 Little Pumpkins. You can access the video [here](#).

Have your child draw and cut out 10 pumpkin shapes. On one side, make a jack-o-lantern face. Leave the other side plain. Have the child make combinations of pumpkins to 5 and then count out loud:

9 with no faces...1 with a face

8 with no faces...2 with a face

And so on...

Extension: Cut out more shapes, and make combinations for the numbers 11 to 20
