

## Numeracy K Oct 26-Nov 1

### Activity 1: 10 Little Pumpkins

Materials Needed:

- Ability to play video; orange paper or paint to cut out pumpkins

Task Instructions:

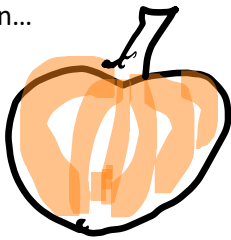

Have your child listen to or read the book 10 Little Pumpkins. You can access the video [here](#).

Have your child draw and cut out 5 pumpkin shapes. On one side, make a jack-o-lantern face. Leave the other side plain. Have the child make combinations of pumpkins to 5 and then count out loud:

5 with no faces...0 with faces

4 with no faces...1 with face

And so on...

Extension: Cut out more shapes, and make shapes to 6, 7, 8, 9 and 10
