

Grade 7 Science  
Week of October 26 – October 30

**Unit 1 Inquiry Project**

Intro to Inquiry Projects: <https://youtu.be/NtE0es3r7CY>

Instructions:

- Select a project for this unit from the list below. Detailed directions are in the various PDFs.
  - You may choose to do more than one.
- If you are working on a computer, each project should be in **ONE** file (often a WORD document) where all data, pictures, scans, etc.....are inserted into this document. It should be clearly named and completed.
- Check with your teacher if you wish to deviate from the project list.
