Activities

<u>Types of physical activities</u> - <u>Individual/dual</u> : done alone and/or with others (jump rope, swimming, running, etc). - <u>Rhythmic</u> : done to move our bodies in rhythm (dancing, gymnastics, etc). - <u>Games</u> : play activities that usually involve rules, strategies, challenges, and social interaction (tag, Simon Says, team games, etc). -Complete the following rhythmic activity video https://www.youtube.com/watch?v=KhfkYzUwYFk Answer the following questions in your Weekly Health Journal: -What do you notice about your level of physical exertion during the rhythmic activity (e.g. breathing rate, pulse rate, sweating)? -What type of physical activity is your favourite (individual/dual, rhythmic, or games)? -Name one specific physical activity that you prefer (e.g. swimming, running, dancing, etc)? -Name some examples of indoor and outdoor activities. -Which do you prefer: indoor or outdoor activities? Explain your answer. Extension: -Create your own physical activity. It can be an individual/dual, rhythmic, or games activity. What will you call this new physical activity? -When would this physical activity be useful? Where might someone learn this new physical activity?
