

**Numeracy Gr 1 Nov 2**

**Activity 1: Numbers to 20**

**Materials Needed:**

- Pencil and paper (These activities can be spoken or written)

**Task Instructions:**

1. Choose a number less than 20 but more than 10. Tell as many things about it as you can.
  
2. Pick two numbers 20 or less that you think are alike in some ways and different in some ways. Make three representations or drawings that show how they are alike or how they are different.
  
3. Choose numbers between 0 and 20 that make sense for each situation below.

- Number of people in a car
- Number of people in a class
- Number of people in a party  Number of people in a van

Compare the numbers then put them in order from least to greatest:

Extension: Follow the same directions as above, but use numbers up to 50 or 100.
