

Grade 6 Science
Week of November 2 – November 6

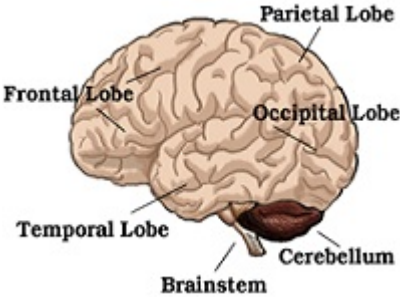

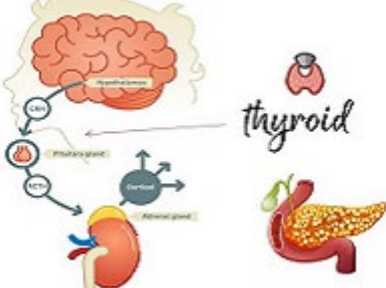

Unit 1 Inquiry Project

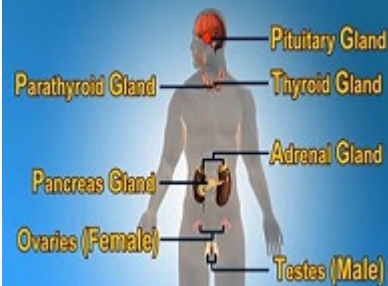

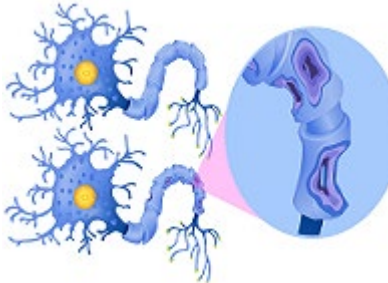

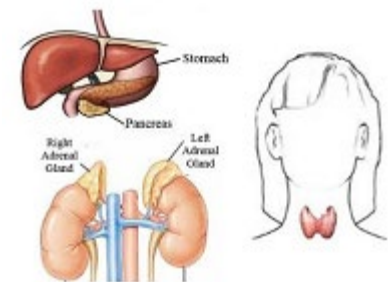

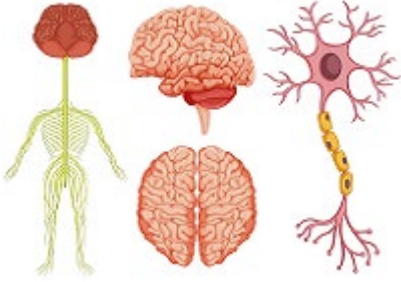

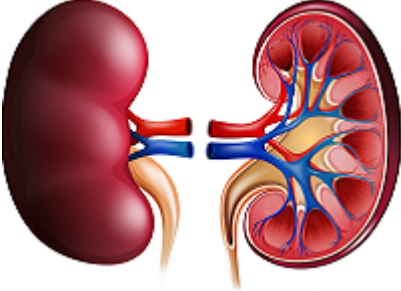

Explanation of Inquiry Projects: <https://youtu.be/NtE0es3r7CY>

Instructions:

- Select a project for this unit from the list below (for a challenge, you may do more than one). More information is in the accompanying PDFs (separate from this PDF).
- Each project should be in **ONE** file (often a WORD document) where all data, pictures, scans, etc.....are inserted into this document. It should be clearly named and completed.
- Check with your teacher if you wish to deviate from the project list.

	<p>What are the different parts of my brain and what do they do?</p> <p>Topics: Brain</p>
