COTTON BALL SNOWMAN

WHAT YOU NEED:

- cotton balls
- black construction paper
- glue (white glue)
- string or yarn
- scissors
- pipe cleaners (chenille stems)
- small buttons

WHAT YOU DO:

1. Glue three cotton balls together to make a snowman. Let dry.
2. Glue some buttons onto the cotton balls to make eyes and buttons. Use a small piece of a pipe cleaner (chenille stem) for the nose. Let dry.

3. Cut out a top hat shape from the black construction paper. Glue to the top of the snowman. Let dry.
4. Poke a chenille stem through the top hat and use this to hang the snowman on the tree.
