Creative Writing Checklist

Creative writing is a time for you to explore fun and exciting ways to write stories!

Read the creative writing goals before you start your writing.

Creative Writing Goals

| |
|---|
| I can take risks and I am not afraid to make mistakes in my writing! |
| I can use descriptive words and try out new word choices. |
| I can create an original story by transforming my drawings and ideas. |
| I can include key elements of story writing (characters, setting, plot, climbing action/problem, climbing action/second problem, climax, resolution, and falling action). |
