Unit 2 Short Story Project

Short Story Project Choices

Your work is ready to publish! Excellent! You will work on this project all this week. Your choices for publishing include:

- A) Make a video presentation of one of your short stories. Make a cartoon, series of images, stop motion video, etc. Words from your story can be spoken, written, or a combination of the two.
- B) Record yourself giving a dramatic reading of one of your short stories.
- C) Create an old-school “radio” recording of one of your short stories. Include music and sound effects. Audacity is an audio program you can download for free.
- D) Create a play or puppet show of one of your short stories. Include music and sound effects.
- E) Create a handmade booklet of one of your short stories featuring a title page, writing, and images.
- F) Write a compare-and-contrast essay identifying the differences and similarities between two of your short stories.
