

**Lesson Focus:** What can the land tell us?

**Materials:**

- Internet access for videos
- Materials to build your landforms (they can be as simple as blankets and chairs or use modeling clay or lego)
- Camera to take a picture

**Invitation to Learn:**

In this lesson you will learn about landforms in the natural built environment.

**Watch this video.**

**Landforms Brain  
Pop Jr.**

**Learning about  
Landforms**

[https://www.youtube.com/embed/KWTDmg8OI\\_Y](https://www.youtube.com/embed/KWTDmg8OI_Y)

**Ask:**

- Landforms are everywhere we live. Can you name some close to your house?
- What did you learn about landforms?
- Can you name an island that might be close to us in Burnaby?

## **Grade Kindergarten Social Studies: February 16 – February 19 2021**

---

### **Notebook Time:**

Time to build.

You can use whatever is available to you to create landforms. When you are finished, take a picture of it and name or label the landforms. Make sure you include the following:

- mountain
- valley
- Island
- plains (flat lowland)
- lake
- river
