

YOU MATTER

Using language in creative and playful ways helps us understand how language works.

Listening and speaking builds our understanding and helps us to learn.

Language and story can be a source of creativity and joy.

- Draw who and what matters most to you.
- Share with someone.

GO BEYOND

Listen to author and illustrator Christian Robinson [here](#) as he talks about how he tells stories with pictures. Christian Robinson says he had a hard time reading as a child, and so he didn't have a great relationship with books. But he could always find solace in drawing. Today, he has turned his childhood hobby into a career as an illustrator.
