LISTEN AND THINK

When a young girl sees a strong woman on TV labeled as "too assertive" and "too ambitious," it sends her on a journey of discovery through past, present, and future about the challenges faced by women and girls and the ways in which they can reframe, redefine, and reclaim words meant to knock them down. Read along with author Meena Harris as she reads her books:

- [Kamala and Maya's Big Idea](#)

"no one can do everything but everyone can do something"
